Look closer. These aren't your children, are they? Of course not... yet doesn't it frighten you to realize what a slight change in your health, success or good fortune... might have placed your family in the same destitution?

The Community Chest must care for thousands of children like these... sick, crippled, undernourished... suffering because fate denied them the privileges that your family enjoys. Older children, too, warped in the mania of war, headed down the path to ruin.

Misery knows no age limits. Older persons need help... decent folks whose lives have been wrecked through circumstances beyond their control. Broken homes, the dislocations of total war... these are problems the Community Chest must solve.

This year your Community Chest is incorporated in the War Chest Campaign. You contribute once to three great causes in one. Your War Chest gift will help our suffering allies whose will to resist slowed the enemy's march to your own front doorstep. It will also go to furnish recreation and friendship for the boys in uniform.

This is *your* war. This is *your* opportunity to help... by giving generously to the War Chest.
